

Atticus G. Harrigan

DOCTOR OF PHILOSOPHY CANDIDATE / SSHRC DOCTORAL FELLOW

4-32 Assiniboia Hall, University of Alberta, Edmonton, Alberta, Canada T6G 2E7

☎ (+1) 780-995-9003 | ✉ Atticus.Harrigan@ualberta.ca | 🏠 a.ttic.us

Education

University of Alberta

Edmonton, Alberta

PH.D. CANDIDATE IN LINGUISTICS

Sept. 2015 - PRESENT

- I study corpus and quantitative linguistics under Dr. Antti Arppe. Working with Indigenous languages of Canada, specifically Plains Cree, my dissertation looks at how mood-like constructions can be predicted from morphological, syntactic, and semantic features.

Linguistics Society of America Summer Institute

Lexington, Kentucky

UNIVERSITY OF KENTUCKY

July 2017

- I attended the 2017 Summer Institute in Linguistics at the University of Kentucky. I took course work in Construction Grammar, Computational Linguistics, Sign Language Linguistics, and Forensic Linguistics.

University of Alberta

Edmonton, Alberta

B.A. (HONS.) IN LINGUISTICS

Sept. 2012 - June 2015

- I studied linguistics focusing on language sustainability and phonetics, culminating in my honours thesis, *Reduction in Plains Cree*, under the supervision of Dr. Benjamin V. Tucker. This work focuses on phonetic reduction in Plains Cree glide-onset syllables

MacEwan University

Edmonton, Alberta

DIPLOMA OF PROFESSIONAL WRITING

Sept. 2009 - June 2012

- I studied professional writing, including technical writing and rhetoric.

Skills

Programming

Python, Finite State Machines, LaTeX, Unix, Awk, Bash

Languages

English (Native), Plains Cree (Reading, Writing, Some Spoken), Latin (Reading, Writing)

Software

Adobe Creative Suite, AntConc, Audacity, ELAN, macOS, Microsoft Office, Praat, R, RStudio, Windows

Honors & Awards

2017	President's Doctoral Prize of Distinction	\$27,000
2017	SSHRC Doctoral Fellowship	\$80,000
2015	Joseph Armand Bombardier Canada Graduate Scholarship—Master's	\$17,500
2015	Walter H. Johns Graduate Fellowship	\$5,700
2014	Roger S. Smith Undergraduate Researcher Award	\$5,000
2010-2013	Jason Lang Scholarship	\$1,000 (x3)
2013	KIAS <i>Tomorrow's Ideas, Now</i> Presentation Award	\$120
2009	Alexander Rutherford Scholarship for Academic Excellence	\$2,500
2009	Pezer Construction Scholarship for Excellence in Communication Technology Studies	\$1,000

Teaching Experience

Principal Instructor

UNIVERSITY OF ALBERTA

July 2019

- INT D 318—Technologies for Endangered Language Documentation (Co-taught with Ashleigh Surma)

Teaching Assistant

UNIVERSITY OF ALBERTA

Sept. 2016 – April 2017

- LING 101—Introduction to Linguistics
- LING 308—Morphology and the Lexicon
- LING 309—Syntax and Semantics

Volunteer

Edmonton, Alberta

CANADIAN INDIGENOUS LANGUAGE AND LITERACY DEVELOPMENT INSTITUTE

July 2015

- I assisted students with technology in LING 311 (Advanced Cree Grammar).

Intern/Teaching Assistant

Edmonton, Alberta

CANADIAN INDIGENOUS LANGUAGE AND LITERACY DEVELOPMENT INSTITUTE

Sept. 2014 - Dec. 2014

- I assisted students in understanding key concepts in LING 211 (Phonetics of Indigenous Languages) in Maskwacis, AB.

Intern/Teaching Assistant

Edmonton, Alberta

CANADIAN INDIGENOUS LANGUAGE AND LITERACY DEVELOPMENT INSTITUTE

July 2014

- I assisted students in understanding and the instructor in explaining key concepts in LING 212 (Morphosyntax of Indigenous Languages) and INT-D 318 (Technologies for Indigenous Language Documentation).

Selected Work Experience

Indigenous Language Analyst

ALBERTA EDUCATION

Nov. 2018 – May 2019

- In working for the First Nations, Métis, and Inuit Education Directorate, I provided research expertise in the field of Indigenous languages. Among other responsibilities, I generated reports regarding the status of Albertan languages, undertook jurisdictional surveys for language policy and planning, supported the creation, drafting and administering of grants programs, and performed analyses of quantitative and qualitative data using a range of techniques.

Research Intern

ALBERTA EDUCATION

Feb. 2018 – Aug. 2018

- I provided research and linguistic expertise on Indigenous language pedagogy and policy, with a particular focus on the creation of immersion programming. I was an integral part of developing grant programs and documents, briefing notes, literature reviews, and other reports to be used both internally and externally.

Laboratory Manager

UNIVERSITY OF ALBERTA

Sept. 2015 – PRESENT

- I manage the storage and use of laboratory equipment; coordinate and schedule recordings and other research activities with partner Indigenous communities; manage, oversee, and train undergraduate annotators; and participate in recording activities for the Alberta Language Technology Laboratory (ALTLab).

Research Assistant

UNIVERSITY OF ALBERTA

May 2017 – August 2018

- I was a research assistant for Dr. Jordan Lachler's *Responding to the Call: Supporting Indigenous Language Sustainability in Alberta* project.

Research Assistant

UNIVERSITY OF ALBERTA

Oct. 2014 – September 2015

- I participated in recording, annotation, and other activities in relation to the production of computational tools for Indigenous language learning as part of the SSHRC funded 21st Century Tools for Indigenous Languages project.

Supervisor

LUCKY BRAND JEANS

May 2012 – Jan. 2014

- I managed sales associates, set sales goals, constructed schedules, and worked as a sales associate where required.

Assistant Manager

CHAPEL HATS

July 2010 – Feb. 2011

- I managed inventory, merchandised product, constructed schedules, interviewed potential hires, and worked as a sales associate where required.

Professional Experience

Student Library Advisory Committee

University of Alberta

BOARD MEMBER

October 2017 - PRESENT

- I provide feedback to the University of Alberta Libraries regarding library services and programs for graduate students.

Linguistics Graduate Student Association

University of Alberta

PHD REPRESENTATIVE

September 2019 - April 2020

- I act as the representative for PhD students to the Department of Linguistics.

Linguistics Graduate Student Association

University of Alberta

PRESIDENT

September 2017 - September

2018

- I lead the association and help steer its activities, acted as the primary point of conduct, and filled in where needed to help serve Linguistics graduate students in a social and professional capacity.

Appeals and Complaints Board for the Graduate Students' Association

University of Alberta

BOARD MEMBER

May 2017 - September 2018

- I sat on the board that hears official appeals and complaints directed toward the Graduate Students' Association.

Linguistics Graduate Student Association/Department of Linguistics

University of Alberta

GRADUATE STUDENTS' ASSOCIATION REPRESENTATIVE

Jan. 2017 - September 2018

- I acted a department representative on the general council of Graduate Students' Association.

Linguistics Graduate Student Association

University of Alberta

TREASURER

September 2016 - September

2017

- I administered and kept track of the association's funds in addition to applying for funding from various sources.

Linguistics Graduate Student Association

University of Alberta

EVENT COORDINATOR

September 2015 - September

2016

- I planned and executed events through the University of Alberta's Student Group Services for the Linguistics Graduate Student's Association.

University of Alberta Undergraduate Linguistics Club

University of Alberta

VICE-PRESIDENT

September 2014 - April 2015

- I operated the undergraduate linguistics helpdesk.
- I planned and executed social events through the University of Alberta's Student Group Services.
- I redrafted the constitution.
- I managed, scheduled, and led meetings.
- I created training materials for future executive members.

Other Professional Experience

Scientific Committee

*1st Joint SLTU and CCURL
Workshop at LREC 2020
October 2019*

SUB-REVIEWER

- I acted as a sub-reviewer on two papers for the 1st Joint SLTU (Spoken Language Technologies for Under-resourced languages) and CCURL (Collaboration and Computing for Under-Resourced Languages) Workshop at LREC 2020

Scientific Committee

*LREC 2020
October 2019*

REVIEWER

- I acted as a peer-reviewer on three papers for the 2020 Language Resources and Evaluation Conference.

Organizer

University of Alberta

50TH ALGONQUIAN CONFERENCE

2018

- I organized and ran the 50th Algonquian Conference. This conference acts as the major meeting for researchers working with Algonquian languages.

Volunteer

Edmonton, Alberta

FORT MCMURRAY EVACUEE CENTRE AT LISTER HALL

July 2015

- I assisted in feeding Fort McMurray wildfire victims housed in Lister Hall at the University of Alberta.

Recorder/Elicitor

Maskwacîs, Alberta

UNIVERSITY OF ALBERTA

June 2015 - PRESENT

- I record, elicit, and transcribe dictionary building/experimental sessions in Maskwacîs, AB, documenting the Plains Cree Language.
- I mentor undergraduate students in elicitation and recording practices.

Tutor

Edmonton, Alberta

FREELANCE

Sept. 2013 - March 2016

- I provided private, 1-on-1, tutoring as well as group tutoring through the Undergraduate Linguistics Club.
- I tutored for LING 101 (Introduction to Linguistics), LING 204 (English Syntax), and LING 205 (Introduction to Phonetics).

Volunteer

Edmonton, Alberta

INTERNATIONAL COGNITIVE LINGUISTICS CONFERENCE-12

June 2013

- I helped with the projection and technical success of lectures, bookselling, and registration at the International Cognitive Linguistics Conference at the University of Alberta, in Edmonton, Alberta.

Publications

A Morphosyntactically Tagged Corpus for Plains Cree.

*Arppe, A., Schmirler, K.,
Harrigan, A. G., Wolvengrey, A.
In Press*

In Papers of the 49th Algonquian Conference

- Role: Helping build and test the underlying computational model.

Plains Cree Verbal Derivational Morphology: A corpus investigation

*Schmirler, K., Harrigan, A. G.,
Arppe, A., Wolvengrey, A.*

*In Papers of the 48th Algonquian Conference, EDS. MONICA MACAULAY, AND
MARGARET NOODIN*

In Press

- Role: Helping build and test the inflectional model the derivational computational model is based upon.

A Preliminary Plains Cree Speech Synthesizer.

Harrigan, A., Mills, T., Arppe, A.

*PROCEEDINGS OF THE 3RD WORKSHOP ON THE USE OF COMPUTATIONAL METHODS IN
THE STUDY OF ENDANGERED LANGUAGES, 1(1) 64-73*

2019

- Role: Building the synthesized voice, devising testing procedures, running participants, analyzing data, and primary writer.

Learning from the Computational Modelling of Plains Cree Verbs

MORPHOLOGY, 27(4) 65-98

- Role: Helping build the underlying model, coming up with research question, and primary writer.

*Harrigan, A. G., Schmirler, K.,
Arppe, A., Antonsen, L.,
Trosterud, T., Wolvengrey, A.
2017*

Presentations

Leveraging English Translations for an automatic Semantic Classification of Plains Cree Verbs and Nouns

52ND ALGONQUIAN CONFERENCE

October 2020

*Harrigan, A. G., Arppe, A.
University of Wisconsin-Madison
(online)*
